Thank you Palmer,

We'll have the powerpoint to you shortly. The participant list on this one is short:
Ann Maest, Cameron Wobus, and Bob Prucha all working with Stratus Consulting, and of course myself

I have copied them into the email above for their contact info. I suspect that Cam will forward the powerpoint directly to you Judy, when he has it ready.

Thanks
ss

I just spoke with Sam Snyder of the AK Conservation Foundation. I confirmed that we are still on for tomorrow's presentation from them. Sam will be emailing us their powerpoint before the meeting. He will also be sending you a list of their participants so you can add them to the meeting invite and send them the URL.

It might be a good idea to send a confirmation to everyone that we are still on for tomorrow.

Please let me know if you have any questions.

Thanks, Palmer

Subject: Model Presentation

Palmer,

Apologies for the slow reply on this potential presentation regarding our work to develop a hydrologic model of the Bristol Bay watershed. It sounds as like the two key people on our team are travelling on the 24th. Would the following week for a meeting work? Wednesday May 30? Same original time 2-3 pm?

Thank you.
Best,
Ss
